

Creating
Wonderful
Memories

We can't wait to meet you

In the meantime, here's everything you need to know about making a memory with Jump Children's Charity

A warm welcome

You can expect to receive a call from me as soon as your referral has been approved.

I'll discuss your child's needs and begin to put together a Memory plan with you.

Time and distance permitting, I'll always try to book a meet and greet with you to plan your memory in person. If this isn't feasible, I'll take you through everything on the phone.

Unique to you

Studio Pictures in the comfort of your own home

We have a pop up studio that fits into most lounges.

All we ask is that you clear some space ahead of your photoshoot & have some spare plug sockets, leave the rest to us.

More fun outside?

If your child loves the outdoors, we'd love to capture those smiles!
Is there a park or playground nearby?

We are very happy to provide a mix of studio and outdoor photographs, so don't hesitate to let us know.

Upcoming event?

We really want to capture a special memory for your family. If you have an upcoming event or special occasion, why not have this photographed as your child's memory?

Going to see their favourite football team? Are they celebrating their Birthday? Christening? Wedding?
